

QUALITY ASSURANCE AND EXPEDITING

HOW IS QAE DIFFERENT?

QAE supports project and procurement teams with vendor oversight / third-party inspection, expediting, and staffing. We help reduce delays, catch quality issues early, and fill resource gaps when internal teams are stretched. You get reliable reporting, faster issue resolution, and better control across your supply chain.

VISION AND MISSION

We believe clients shouldn't have to guess whether vendors are doing the job right. Our mission is to bring visibility, accountability, and support to every stage of a project. Through accurate reporting, direct vendor coordination, and agile staffing, we help teams avoid risk and stay on schedule.

OUR CORE SERVICES

We provide vendor oversight / third-party inspection, expediting support, and agile staffing to help clients maintain control across complex supply chains.

GUARANTEED FACILITIES FOR EMPLOYEES

When your procurement team is overworked or understaffed, QAE fills the gap. We place experienced buyers, expeditors, and coordinators who integrate quickly and work with urgency. Whether it's a short-term assignment or project-based support, we help you avoid bottlenecks without long hiring delays..

OUR SERVICES

OVERSIGHT

We inspect processes, verify specs, and report issues early. This helps your team act before problems grow.

EXPEDITING

We engage with vendors, track milestones, and escalate issues quickly to keep your delivery timelines intact.

STAFFING

We provide trained professionals who step into key procurement roles fast. No onboarding lag. No learning curve.

QUALITY ASSURANCE AND EXPEDITING

EXPERIENCE YOU CAN TRUST

- ✓ 40+ Years of industry experience
- ✓ Global vendor network across 5 continents
- ✓ 24/7 real-time reporting
- ✓ Trusted by EPCs, OEMs, and project managers worldwide

AVOID THESE COSTLY MISTAKES

- ✗ Missed Specs
- ✗ Delayed Shipments
- ✗ Staff Gaps
- ✗ Vendor Confusion

Managing vendors across global projects is complex. Missed specs, delayed shipments, and poor communication can cost time and money. QAE steps in with the structure and experience to keep things on track.

HOW IT WORKS

✓ OVERSIGHT IN ACTION

We place inspectors on-site to verify quality, identify issues early, and give you visibility into every step of the process.

✓ EXPEDITING WITH IMPACT

Our team tracks production, resolves delays before they escalate, and ensures your delivery dates stay on course.

✓ STAFFING THAT SUPPORTS YOU

We fill roles like Buyers, Coordinators, and Expeditors within days. This keeps procurement moving when teams are stretched.

WHAT OTHERS HAVE TO SAY

QAE caught a defect before it delayed a \$1M delivery. Their inspector flagged it, had it corrected, and the shipment stayed on schedule.”
